

ILF GBP LIQUIDITY PLUS FUND

SIMPLIFIED PROSPECTUS

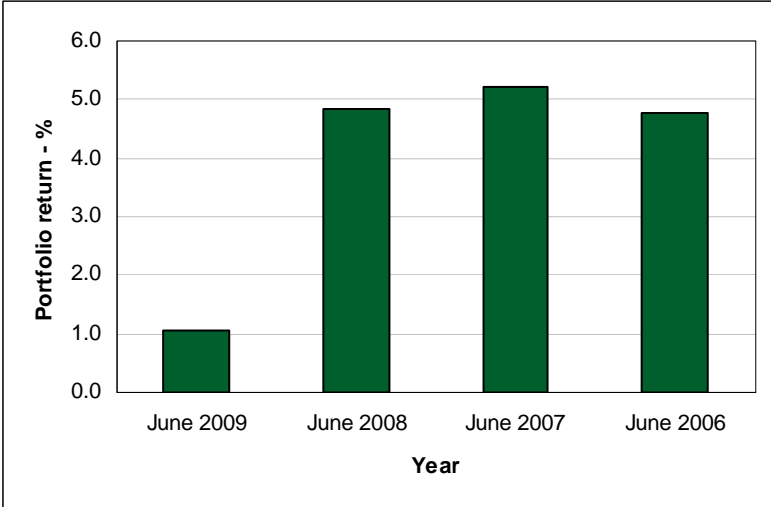

Dated 23 November 2009

This Simplified Prospectus contains key information in relation to ILF GBP Liquidity Plus Fund (the Fund), a fund of Insight Liquidity Funds plc (the Company). The Company was incorporated on 3 December, 2002 and is an umbrella open-ended investment company with variable capital and segregated liability between its funds governed by the laws of Ireland and authorised on 23 December, 2002 by the Irish Financial Services Regulatory Authority under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2003, as amended (the Regulations). The Company currently has eleven other funds, namely ILF USD Liquidity Fund, ILF EUR Liquidity Fund, ILF GBP Liquidity Fund, ILF GBP Liquidity II Fund, ILF USD Liquidity Plus Fund, ILF EUR Liquidity Plus Fund, ILF EUR Short Duration Bond Fund, ILF GBP Short Duration Bond Fund, ILF USD Short Duration Bond Fund, ILF GBP Liquidity Plus II Fund and ILF GBP Liquidity III Fund. Other funds may be established from time to time.

Potential investors are advised to read the Prospectus of the Company dated 23 November 2009 and the Supplement in respect of the Fund dated 23 November 2009 (together the Prospectus) before making an investment decision on whether or not to invest in the Fund. The rights and duties of the investor as well as the legal relationship with the Company are laid down in the Prospectus.

The Fund base currency is Sterling.

Investment objective	The investment objective of the Fund is to provide investors with stability of capital and income through investment in short term fixed income and variable rate securities.
Investment policy	<p>In order to achieve its investment objective, the Fund will invest in a broad range of liquid securities, instruments and obligations which may be available in the prevailing markets (both within and outside the UK) for Sterling denominated instruments, including securities, instruments and obligations issued or guaranteed by the UK government or other sovereign governments or their agencies and securities, instruments and obligations issued by supranational or public international bodies, banks, corporates or other commercial issuers. These types of securities, instruments and obligations may be issued by both UK and non-UK issuers and unless stated otherwise will be denominated in Sterling or fully hedged into Sterling. The Fund may invest in financial derivative instruments which will be used solely for the purpose of efficient portfolio management.</p> <p>For full details on the Fund's investment policy, please refer to the Prospectus.</p>
Risk profile	<p>The investments of the Fund in securities are subject to normal market fluctuations and other risks inherent in investing in securities. The value of investments and the income from them, and therefore the value of, and income from, Shares relating to the Fund can go down as well as up and an investor may not get back the amount s/he invests. Changes in exchange rates between currencies or the conversion from one currency to another may also cause the value of investments to diminish or increase.</p> <p>Subscription for Shares of the Fund is not the same as making a deposit with a bank or other deposit taking body and the value of the Shares is not insured or guaranteed. The value of the Fund may be affected by the creditworthiness of issuers of the Fund's investments and, notwithstanding the policy of the Fund of investing in short term instruments, may also be affected by substantial adverse movements in interest rates.</p> <p>A description of the risk factors applying to the Fund is set out in full in the Prospectus.</p>
