5. AEOI SELF-CERTIFICATION

UK law, in accordance with international agreements (including the OECD Common Reporting Standard, the US-UK intergovernmental agreement to implement the US legislation known as FATCA and agreements between the UK and its Crown Dependencies and Overseas Territories) requires us to collect data about each investor's tax residency and tax classification for the purpose of the Automatic Exchange of Information (AEOI) for international tax compliance.

All terms identified in *italics* are as defined under the OECD Standard for Automatic Exchange of Financial Account Information commonly known as the Common Reporting Standard.

It is the responsibility of the applicant to determine whether they are tax-resident in any particular country.

If any of the information below changes in the future, please ensure that we are advised of these changes promptly.

For further information please see www.oecd.org/tax/automatic-exchange/

Entity Self-Certification for Automatic Exchange of Information (AEOI)

Note: If you are acting as a nominee, agent or intermediary on behalf of another person or entity and you are a *Financial Institution* for AEOI purposes, this self-certification should be completed in the name of the Financial Institution. If you are acting as a nominee, agent or intermediary but are NOT a Financial Institution for the purposes of AEOI Common Reporting Standards, then you should complete this self-certification in the name of the beneficial owner on whose behalf you act.

Classification of Entity for AEOI purposes

- (i) We (the *Entity*) are a UK pension scheme registered (or deemed registered) with HMRC under Part 4 of the Finance Act 2004 or are the pension fund of a government entity, international organisation or central bank and are tax-resident in the UK. We are therefore a *Non-Reporting Financial Institution* for AEOI purposes.
- (ii) We (the *Entity*) are not a UK registered pension scheme. If this box is ticked then you need to complete our application form for other types of entity.

Declaration of Tax Residency

Please indicate your country of tax residence. You may be tax-resident in more than one country. Please detail all countries of tax residence and associated tax identification numbers (*TIN*s).

NOTE: Provision of a *TIN* is required unless you are tax resident in a jurisdiction that does not issue a *TIN*. For the UK the *TIN* is your unique tax reference (UTR) issued by HM Revenue & Customs.

If the *Entity* is not tax resident in any jurisdiction (e.g. because it is fiscally transparent), please indicate that below and provide its place of effective management or country in which its principal office is located.

If a *TIN* is not available please provide the appropriate reason A, B or C as appropriate:

Reason A – The country where the Account Holder is liable to pay tax does not issue *TIN*s to its residents.

Reason B – The Account Holder is otherwise unable to obtain a *TIN* or equivalent number. Please explain why the Account Holder is unable to obtain a *TIN* in the space below if you have selected this reason.

Reason C – No *TIN* is required. Note: only select this reason if the authorities of the country of tax residence entered below do not require the *TIN* to be disclosed.

Country of Tax-Residency	TIN (Tax-ID number)	Reason (A, B or C) if no TIN
United Kingdom		

If no *TIN* is available (reason B) please explain why (for example if your entity is tax-transparent and is not tax-resident and the country of effective management does not issue *TIN*s to entities that are not tax-resident).
