INVESTMENT OBJECTIVE

The investment objective of the Fund is to provide attractive, positive, absolute returns in all market conditions.

PERFORMANCE AIM

The Fund will aim to outperform its Performance Benchmark (3 Month LIBID) over a rolling twelve month period after fees and will measure its performance against this. The Fund seeks to generate returns of up to 3 month LIBID + 5% gross of fees over an annualised five year period, whilst being mindful of the Investment Objective. However, a positive return is not guaranteed and a capital loss may occur. It is a long short credit fund primarily investing across the spectrum of the credit universe including bonds, asset backed securities and credit default swaps.
